

SHIVAM SHUKLA

ELk Developer

shivamshukla11111@gmail.com

9648187647

Noida, India

Dedicated ELK Developer with 2+ years of experience designing, developing, and maintaining scalable ELK stack solutions. Expertise in APM, Beats, monitoring, observability, security, and SIEM integration. Skilled in log management, data visualization, and performance tuning to deliver actionable insights. Passionate about optimizing systems and building reliable, efficient data pipelines for enhanced operational intelligence.

WORK EXPERIENCE

ELK Developer

Quarksbell Technologies Pvt. Ltd.

01/2025 - Present,

Delhi

Achievements/Tasks

- Design, implement, and maintain ELK stack solutions focusing on application performance monitoring (APM) and observability
- Integrate Beats and Logstash pipelines to ensure seamless data ingestion from diverse sources for end-to-end observability.
- integrate ELK stack with SIEM systems to support security monitoring and incident detection.
- Perform regular health checks, backups, and upgrades of ELK stack components to ensure stability and scalability.
- Develop complex query logic for Kibana visualizations and dashboards using Elasticsearch Query DSL.

Research Associate

Data Flow

08/2024 - 01/2025,

Achievements/Tasks

- Design, implement, and maintain ELK stack solutions focusing on application performance monitoring (APM) and observability.
- Develop complex query logic for Kibana visualizations and dashboards using Elasticsearch Query DSL.

Analyst

ALTISOURCE

02/2020 - 04/2021,

Bangalore

Achievements/Tasks

- Design, develop, and maintain scalable ELK stack (Elasticsearch, Logstash, Kibana) solutions for log management and analytics.
- Implement and configure Beats and Logstash pipelines to collect, parse, and transform log data from various sources.
- Build custom dashboards and visualizations in Kibana to provide actionable insights and improve observability.
